

An Australian **oil** and **gas**
producer and explorer

Chief Executive Officer

The Chairman of Nexus Energy Limited, Mr Michael Fowler has announced that the company will undertake an international executive search for the appointment of a new Chief Executive Officer.

The search will be led by Mr Michael McAearney, Chief Executive - International Business, for the executive search firm, Gerard Daniels (gerard-daniels.com/about-us/leadership/). Gerard Daniels operates offices in Europe, Middle East and Africa based in London, the Americas based in Houston and Asia Pacific based in Perth.

The Chairman and Board are looking to make an appointment of an experienced oil and gas executive who will lead the company through its next stages of strategic development in both its exploration, growth and operations activities.

All enquiries should be directed to Michael McAearney via telephone on:

+61 407 711 488 or email: michaelm@gerard-daniels.com
